## GAME NIGHT

It was a pretty typical Saturday for late June here in Sacramento. Everyone gathers at someone else's house for some weekend games and that often includes some radical, six-hour long battles on video game consoles. Of course it also includes beer and other stuff to make the games more competitive. Those that don't play or don't want to play, will often disappear into bedrooms and not come out until there's a knock on the door. However tonight, many of the group did not show because they must have had something else to do.

This day there were the only the four of us. Richard, Alyse, James, and myself over at Alyse's house, but usually there are six or more. We always try to have an even number of guys and girls so no one will get left out. House rules! Today, Alyse pulled me aside and started whispering in my ear that earlier in the day she had fucked James and wanted him again, what could we do to put him in the mood. So of course I suggested Alyse and I could make out in front of them! Alyse isn't what you would call drop dead gorgeous, but she's pretty cute and has a smoking hot body. She's very curvy, her firm boobs are always pushing against her usually tight blouses. She is the perfect MILF-looking woman, Young looking, but mature enough to make you think she knows what to do in the sack.

We're all sitting on the floor. James and Richard have no idea what's about to happen. We start kind of giggling and start kissing. First it was just dry pecks on the lips but then Alyse slips me her tongue and we start

long wet kisses. Alyse just stared in amazement. James however seemed very interested. "The only thing that is missing is that you are still dressed!" he said. So we both took off our clothes and bras and are just in panties. We start kissing again rubbing each other's breasts and I have to wonder could she be as turned on as I am right now?

So I reach down and rub her pussy on top of her panties and they are soaked! She jumped a little at first, but then returned the favor. This went on for a while till my little white cotton bikinis were soaked. Turns out Richard had too much to drink and was feeling sick, so James said he would take him home. It was around one in the morning, so Alyse and I decided to go to bed together.

We cuddled up on her futon still in just our panties; and she said it was really fun kissing me in front of the boys, as she was softly rubbing my breasts. We could always finish what we started and blame it on the alcohol in the morning. I laughed but I was so turned on, too! Neither one of us had ever been with a girl before!

I rolled on my side to face her and we started kissing and caressing each other. I pinched her nipples and she moaned, instantly making us both wet. I kissed her nipples and then

started sucking them as she writhed under me. As I slid my hand down her stomach, hers was on my pussy on top of my panties. I slid my hand under her panties and felt my way to her swollen clit. She gave me a look of surprise and whispered "Don't stop. Do whatever you want and I'll do it back to you till we both cum, ok?"

I started rubbing her clit harder as she moaned and asked me to put a finger in. I did and she flooded my hand with her pussy juices. I couldn't let all that sweetness go to waste so I slowly licked my way down her belly and devoured that smooth pussy full force. My tongue parted her lips as it played with her clit and she screamed and pushed my head further into her swollen pussy. I tongue-fucked her hole till she begged me to stop. When she did, I didn't – until later.

Minutes later, I sat up and took my panties off and positioned myself between her spread legs so we could bump pussies. She reached down and carefully spread our labia apart so our clits were touching. She started thrusting against me and I did it back – harder. Our pussies rubbed together faster and faster till we both came and collapsed with scissors exhaustion. I rolled over beside her and she said she had never cum like that and wanted to know what got into us? We heard James come back in the house and called our names. We both laughed and fell asleep together.

– Carol, Sacramento

## PUTTING ON A SHOW

My wife, Allie, and I love reading your magazine in bed. It's such a turn on to find her lying in our bed, her fingers gliding over her swollen clit while she reads the stories or looks at the hot pictorials. She says that watching one woman doing another, or people having a

threesome arouses her, even though she says she's still not quite ready to try any of it yet. The other night we were leaving a downtown club together and I told her I would like her to see a gentlemen's club. With this unbelievable smile she said, "Oh, you mean a strip club?" I smiled back, nodded and took her hand. We walked a couple blocks down the street and around the corner was a blinking marquee announcing they had the hottest and most naked girls in town.

I told Allie that I has heard this club is kind of a throw back to the peep shows of the sixties. After we got in, I went to the bar and asked for a handful of tokens for the booths. We headed back through the club, occasionally accosted by topless dancers. She loves hard-core porn, so nothing's shocked her, but I realize that she didn't know where there were live strippers available. We piled into one of the tiny dark rooms and immediately joked about the sticky floor. We sat in a small bench and slid our tongues together just to warm up.

I inserted a couple of the tokens into the slot and a curtain opened up across a three by four foot window. On the other side we saw naked women busy stroking their boobs or spreading their pink pussy lips in front of other windows. Allie whispered that she expected a porno, but seemed to enjoy what she saw. As

**Heather:** That's nice. If I remember, it's been a while?

**40+:** Yes, too long! I think the last time was when you were off to do Naked News.

**Heather:** Yeah, that was fun. I was a brunette then, but I think this color suits me better.

**40+:** I'd have to agree. But tell me, who have you fucked lately?

**Heather:** Not beating around the bush with that one! Do you mean personally or professionally?

**40+:** Professionally, of course.

**Heather:** It was two weeks ago with Jenny in a horse barn.

she commented on the body of each woman, I slid my hands inside her top to caress her small but perfectly shaped boobs. We watched for about five minutes when the curtain closed abruptly. When Allie asked for more tokens, I knew she would be game for anything. My hands found her moist pussy, which by now was dripping wet. She put in a couple more coins and while I fondled her, the curtains opened again and a nasty little blonde came over to spread out directly in front of our window. Allie leaned back and she replaced my hands with hers, and she began to masturbate as furiously as her jeans would allow. As the stripper came closer to the window, she saw Allie and we heard her say thru the glass, "I see you brought your own."

As the little blonde spread her pussy lips wide and began to really work her own clit,

my wife did the same, moaning loudly as her first orgasm rocked her. I've never seen her come fast. With the stripper sticking her pussy against the glass, right in front of my face, my

wife worked on her second orgasm. Watching all this so close and up front, what's a guy to do? I pulled out my hard-on and stroked it to full erection. I ignored the person pounding on the door and slid my cock between Allie's luscious lips. She was stroking my shaft to give me her usual great blow job. As the curtain came down on our last token, she came again.

Her moans changed slightly as she began swallowing the load that I pumped into her hot mouth. There is no stickiness to add to this floor tonight as she swallowed every drop. After catching our breath, we buttoned up and left the booth. No one seemed to notice a thing. Walking to the car, she admitted that she had never come that easy or that fast in her life. It was the nastiness of the place that did it, she said.

We agreed that next time she wouldn't wear any underwear and a loose skirt so we could fuck right there in the booth while the strippers watch us perform for them. Who knows, maybe they'll tip us. I know we'd put on a great show.

— Greg and Allie, Atlanta

**40+:** *Really? Was the horse there?*

**Heather:** (Laughs) Yeah, there was one there, but he was in the next stall. He would poke his head over the wall when he heard us squealing. I had never had sex in the hay, but it was fun. It got all over us, but we had fun cleaning each other off.

**40+:** *And then...?*

**Heather:** I went home and took a long, hot shower.

At first, I thought a guy's cumming was kinda weird. I had a hard time handling their cum, but my boyfriend at the time slowly convinced me it was okay to have it in my mouth and even swallow it. I got used to the taste and now I'm good with it.

**t**his past September, my company had their international convention in New Orleans. My wife and I work for a national utility designing power systems. Our R&D group was required to attend. The convention was held for three days at the Hilton Riverside downtown. We had rooms on the 10th floor with quite a view of the Mississippi River flowing by. After the first day, we had had enough. We needed something less boring and more adventurous to do.

I have been married to Edna for twelve years now and things just keep getting sexier. My wife is a brown haired 42-year-old beauty with nice big breasts that just beg to be fondled and an ass to die for. She's sexually curious and loves to do anything kinky, making our sex life full of surprises. For a long time now our favorite activity was to have Edna sit on my cock and pretend that I was another man. That may sound boring to some but not the way Edna rode me.

She would tell me dirty stories about how much hornier her fantasy man was than her husband, and I respond as if were her imaginary stud, telling her what a hot pussy she had. (That part is true!) Well, over time these playful encounters began to have an effect on me and I couldn't stop fantasizing about Edna actually making it with another guy. I asked her on several occasions if she would like to have sex with another man for real, but she said she just liked to pretend. One evening while fucking Edna's gorgeous ass from behind, I began whispering a hot story in her ear. I incorporated a little reality into it as I told her about my new coworker. I explained that Matthew was a real ladies' man, and I believed him to be well-endowed.

When I told Edna that Matthew always seemed like he was ready to fuck, she began moaning. I began to describe his sparkling blue eyes and powerful build as I buried my cock deep inside her butt hole. Suddenly, Edna pushed her ass up against my hips and cried out, "Fuck me hard, Matthew!" Edna came for what seemed like two full minutes,

# happy wife happy sex life

and it drove me wild. Hearing my wife call out for another man's cock made me fuck her even harder, until I came like I never had before. In the weeks that followed we had several sessions during which I would talk to Edna about Matthew. After that she finally asked if I could arrange a meeting. It was difficult for me to approach Matthew about the subject, but I had the feeling he would go for it. He had briefly met my wife one time at the office, and had made a comment to me in private about how beautiful she was.

*She would tell me dirty stories about how much hornier her fantasy man was than her husband,*

Eventually, I managed to have lunch with Matthew. I told him that I was sure Edna would be agreeable, and that I would keep him posted. Over the next week, every time I fucked Edna I knew that Matthew would soon be enjoying the feel of her tits and her silky pussy. On Friday, the eve-

ning of our first day at the convention, Edna asked if we could invite Matthew over to our hotel room, and I gave him a call to set it up. Once I hung up, I told Edna our fantasy was about to come true. She looked at me a little sheepishly, and then smiled oh-so seductively.

I watched as she undressed and looked through her lingerie while deciding what to wear. Her tits swayed from side to side as she rummaged, and I couldn't believe that Matthew would soon have his hands on them. Edna said that she was a little anxious about what was coming, and she asked me if I could leave her alone with Matthew for an hour or so until she felt relaxed. Then I could join in the action once it got going. This idea appealed to me even more. I imagined myself walking in on Edna offering Matthew her pussy, and it made me hot as hell.

left with a raging hard-on knowing I'd return soon enough. I took the elevator down to the lobby and settled in at the hotel bar to see if I could pass some the time there. I sat down in front of the television and watched the Saints in action.

I wondered what Edna was doing with Matthew just then, and I felt my legs go weak. All the blood was rushing directly to my cock as my mind was flooded with a variety of appealing ideas. After a few beers and much clock watching, I paid my tab and raced back to the room. As I walked up the hallway, I really didn't know what to expect. Maybe the chemistry wasn't right between them, or maybe they have run off together! I couldn't wait to see just what, if anything, was happening in the room. When I opened the door,

*I really didn't know what to expect. Maybe the chemistry wasn't right between them, or maybe they have run off together! I couldn't wait to see just what, if anything, was happening...*

Edna was still dressing when Matthew showed up, wearing casual clothes which showed off his muscular body. I offered him a drink, then told him I'd be going out for an hour or so and I asked him if he thought he could take care of my wife while I was away. He assured me that it would be no problem. Edna came out of the bathroom wearing a transparent chemise, which showed off the beautiful curves of her ass and hips. I watched Matthew drink in the sight of her body, and couldn't wait to leave so I could come back. I kissed my wife goodbye and told Matthew to enjoy and

I was surprised to see that my coworker and wife were stark naked on the bed. What I saw first was Edna's bare ass, her back was turned to me and she was squatting over Matthew. I couldn't see his face, but his big cock was sticking straight up, waiting for my willing wife to lower her wanton pussy onto it.

Edna turned her head and gave me a sexy grin. She sure wasn't the shy wife I left behind an hour before. I walked in further and saw Matthew helping himself to her ample breasts, fondling and sucking them like a man who hadn't felt a boob in years. He called out

to me, saying that I was just in time, because he was going to fuck my wife. I quickly unzipped my pants and started stroking my hard-on as I helped Edna lower herself onto Matthew's generous joint. His cock was much larger than mine, with a big head and thick veins running along the shaft. I moved closer and watched as Edna's pussy. Then Edna began bouncing up and down on him in a fury. Her screams of pleasure told me that his giant rod was stretching her pussy to new dimensions.

Edna kept crying out about how big Matthew's cock was, and every time she said it my dick would throb. Matthew began slamming his prick into her pussy with quick powerful thrusts, all the while telling me what a hot piece of ass my wife was. His hands were clutching her ass, exploring her rosebud anus as he pulled her hard against him.

halfway out of Edna's mouth, it was rock hard again. Her mouth was stretched to it's fullest, but she still eased his big snake in and out of her throat. She reached out and began fondling my balls with her left hand, while she did the same to Matthew with her right.

My own shaft was throbbing again, when I began stroking it as Matthew told me what a good little cocksucker she was. My wife was on her knees, her pretty head bobbing back and forth. Matthew was grunting now, shoving his giant penis all the way into Edna's mouth, making it disappear up to his balls. I could see her throat muscles moving as she took as much of his cum as she could, while the rest of his white load spurted out of the corners of her mouth. Even more come was shooting out of my dick as I watched her swallow down Matthew's jism.

*Matthew began slamming his prick into her pussy with quick powerful thrusts, all the while telling me what a hot piece of ass my wife was.*

Matthew groaned out that he was going to give her what she'd been waiting for, and he shot his load up her vagina. I thought that she would surely want a break after such an intense session, but Edna had something else in mind. She dropped to her knees and began to lick her own pussy juice off Matthew's cock. She really went at it too, nuzzling her nose under his balls and licking him clean. My organ started to grow hard again when Edna took him in and began deep-throating him, swallowing so much of his semi-erect dick that her chin was jutting into his big pink balls. By the time Matthew pulled his cock

Edna looked up at me and smiled as her cheeks glistening with stray dots of sperm. We finally took a break. Edna went to clean herself up while I grabbed some beers from the mini-fridge. But that wasn't the end of the evening. Matthew spent the night and he and I took turns boinking my wife silly, much to her delight.

The last two days of the convention were a dribble of faceless people and meetings, but all we thought about was getting back in the sack together. We left on Sunday night, driving along as Edna played with my cock telling me how it was to fuck Matthew – and me!

**SARA**

I just returned from a week in Paris and it was quite an adventure. Those men over there can be very aggressive, especially to strawberry blondes, I found out. But I did like Jean-Pierre. He was a French sweetie and we fucked a few times.

**When I left Paris,  
Jean-Pierre saw me  
off at the airport.  
He brought me a  
little gift to remem-  
ber him by. Since  
he, and his cock,  
couldn't be with  
me, he gave me a  
lavender dildo to  
remember him by.  
So, I had these pic-  
tures done so I can  
send them to him  
and show that I still  
want him.**

# ELLA & PEPPER & DAISY

Have you ever wondered why girls like lingerie? It's seductive, sexy, passionate and is the instigator of love-making. But it's not just for men. We lady-lovers enjoy a well dressed, and undressed, woman. Just like men, it won't stay on very long when we get down to it and let it all hang out. We're gonna be hot tonite, so we want you to watch!

ENTER CODE: **9y6965260** AT **5FREEDVD.COM** FOR FREE VIDEO OF THIS SCENE MUST BE 18+ TO VIEW

We women also love using our tongues and fingers. Don't misunderstand, we like men, but sometimes there's more fun and freedom with other women, especially if we're as hot as who you see here. We have a lot of fun, without hang-ups or reservation.
